

# CHASE PHARMACY

*Most pharmacies take care of prescriptions.*

*We take care of people!!!*

Call us today and talk to our Pharmacists, Sanu, Steve, Wil and Hilda. Our Pharmacy Technicians, Anna and Jaci, understand this as well! We'd be glad to compare the available programs.

Bring in your new or transferred prescriptions today and see how we can save you money!

**Chase Pharmacy**, your hometown pharmacy, is the only pharmacy on the eastern plains that offers a 90 day supply of generics for \$15.00 or less. This is your best value.

**Save money without the insurance company.** This is just plain old low pricing!

Check the list of prescriptions we offer.

We cover more different generics than the touted \$4.00 plans.

In many instances we beat your mail order 90 day pricing on these generics.

We save your travel dollars by working on 90 day filling.

**What we don't beat on the \$4.00 plan, we match!**

Free delivery to Watkins, Bennett, Strasburg and Deer Trail.

We can mail your prescriptions.

This is not a new program, but we have recently expanded it to include more generics.

We fill all Workers' Compensation prescriptions.

*Thank you for your continued patronage. We are here for you!*
